

Dawn school

Annual Report-2016-17

Dawn School has stepped into the 10th year of providing education with a mission to empower students “thro’ structured processes” at every stage to excel

Scholastic activities:

The Management of the school always emphasizes true innovations and learning methodologies and class room practices.

Our Teachers are frequently motivated and encouraged to innovative teaching methods that promote greater hands of learning.

Learning becomes interesting and less mysterious when it is made visible, hence we have TAL (Technology Aided Learning) to help the children learn easy.

Students are enrolled in the various clubs. specific activities conducted thro Lang clubs and subject clubs for subject enrichment aims at equipping the students to develop interest, understanding and skill development. Clubs are conducted twice a month.

To make every child develop competence in academic skills various processes are in place. Daily Homework in the form of Home test, repeated tests on limited portions & model exams help the students to approach the exams at ease.

Slow learners are helped thro’ remedial classes. This process has helped the std X & XII students to score well in the board exam. Out of the 30 appeared for std X exam 4 got CGPA 10 and 8 got more than 9 grade points. Ms. Haripriya of std XII has scored overall 95% marks with 99% in business studies.
